

MUSC Player Code of Conduct

Preamble

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these six pillars of character.

I therefore agree:

1. I will play soccer because I want to, not because others or coaches want me to.
2. I will play by the rules of soccer and in the spirit of the game.
3. I will control my temper and respect my opponents.
4. I will do my best to be a team player, both on and off the field.
5. I will remember that it is more important to play fair and honorably than it is to win.
6. I will acknowledge all good plays; made either by my team or by my opponents.
7. I will respect all decisions by the coaches and officials
8. I will remember that these coaches and officials are there to help me.
9. I will respect the playing and practicing facilities and equipment provided for me.
