

New U3 Update for Outdoor 2024

All Calgary Minor/ Alberta Soccer Clubs have been informed that our insurance provider will no longer cover U3 programs. We have taken great pride in our U3 introductory program as we share your child's first soccer experience with our staff team!

This update will now see MUSC welcoming members to their first soccer experience at U4.

With the understanding that you are excited to introduce your child to soccer, we are happy to suggest Soccer Heroes Spring/Summer Programs.

As an independent program provider, Soccer Heroes is able to offer a soccer experience without the league game component. Soccer Heroes runs all of their programs out of our very own MUSC Performance Centre!
